Mr. and Mrs. Grant Hall

Re: Christopher J Nanda

Dear Mr and Mrs. Grant Hall:

I am legal counsel for Mr. Christopher J. Nanda. On behalf of Mr. Nanda, I am demanding you remove or "de-index" your publications (tweets) on Twitter regarding Mr. Nance which unlawfully defames him and places him in a false light in the public eye.

The link to the damaging online publication regarding Mr. Nanda is:

<https://twitter.com/ugobananas/status/1267465743668518914>
and

<https://twitter.com/ugobananas/status/1267449650459664385>

or any other website you have defamed Mr. Nanda.

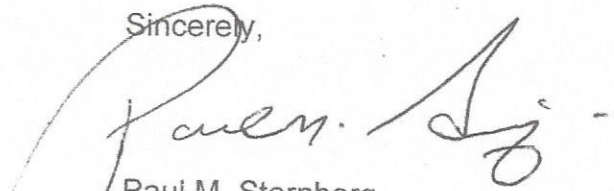

It is of the utmost importance that these false tweets be removed expeditiously. They have caused irreparable harm, significant financial hardship, public disgrace and ridicule upon Mr. Nanda both personal and professional reputation. The potential liability for these statements ranges in the high six figures. We will consider releasing you from this potential liability, if you remove said tweets and agree that you will not publish or republish any reference to Mr. Nanda on any website. This will result in a considerable

savings for both you and my client. I am proposing these terms, because I do not believe your intent was not malicious.

Once again, on behalf of Mr. Nanda, I am demanding that the above-listed links be removed or "no indexed" from your feed by June 15th, 2020, or otherwise we will proceed with legal action against the both of you. Including a possible judgment affecting you both personally and your business.

If you have any questions or wish to discuss this matter further please feel free to call or have your legal representative call me on [REDACTED]

Sincerely,
