please call me XXX-XXX-XXXX

Unfortunately , I have no authority by my client to talk with you about him. I will try and get that authority. However, I can talk about my letter. The facts that you have written are completely erroneous. Your client has harassed my client causing him to lose his job. Also, she removed the defamatory statements without qualification. Releasing your letter would be considered defamatory. You also quoted the law, which I do not agree with. I make money off that letter,. Just like a book you cannot copy pages out of that book. I do not believe the "fair use" doctrine applies. If you would like to discuss further. I will see if I can get my client to release me to discuss But I certainly can discuss my letter.
