Re: John Does - "disheartening" & "truth be told"

Dear Paul,

This letter is to confirm our telephone conversation yesterday. On behalf of the Cody, James, and Johna Saltsman, I will not seek the identifying information regarding the John Does aka "disheartening" and "truth be told." The Court has already issued an Order of Preservation, but I will not enforce any further Order regarding your clients.

Thank you for your professionalism in speaking with me. If you have any other questions, please do not hesitate to call.

Sincerely,
